Nancy and Paula,

I received the e-mail below from Eugene Lee a short time before receiving your e-mail on after hour postings. I don't know enough about the request below to judge whether it can wait. I'm copying Christie to see if she can shed some light. - George

I see Christie lists you as the PIO POC for the weekend.

Could you get back to Dan on timing?

I put in a few suggested changes to the desk statement. Please post the attached letter report as soon as possible. It has been revised per EPA comments.

Thanks, Dan M

Dan,

EOC EU and PIO have reviewed and comments are below and attached. Once we receive an updated version of the report incorporating comments you think can be addressed, we will run the final past OGC and our PIO will develop a brief desk statement to go along with the posting.

Let us know if this approach works for you.

Thanks,

EL

Dana and Tito – we had Weston evaluate the livestock watering tanks that we installed on the Navajo Nation, after the controversy about the water quality in the tanks.

Our RA would like to put the Weston report on the web. Does the hqs EU need to review the report (attached) before we post it?

Thanks, Dan
